### **Construction Requires Overnight Lane Closures on Interstate 49 Northbound and Southbound in Springdale**

**WASHINGTON & BENTON COUNTIES (3-27)** – Improvements to the Elm Springs Road and Interstate 49 interchange requires overnight lane closures for both north and southbound traffic in Springdale, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Traffic on I-49 will be reduced to one lane in each direction between mile markers 71 and 74 from **10:00 p.m.** to **6:00 a.m.**, daily from **Monday, March 27** and **Friday, March 31**, weather permitting. This closure will allow crews to remove the existing Elm Springs Rd. overpass bridge.

Traffic will be controlled with message boards, signage and traffic drums. Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at [IDriveArkansas.com](http://IDriveArkansas.com) or [ArkansasHighways.com](http://ArkansasHighways.com).
